## Adopt-A-Child

Everyone wants a present at Christmas. Some boys and girls, because of family circumstances, are not able to receive a present. Case workers at Family Service select families in need. This Christmas, we would like to have gift bags and a new book for 1,200 children, ages 0-18. We are asking you to adopt one or more children. By doing so, you are helping a family experience the joys of Christmas. This is a great project for scouting troops, church youth groups, school clubs, families and leadership organizations. It provides the personal touch to community service learning.

We are asking your group to fill a cellophane bag, which we supply, with unwrapped gifts of no more than 3-4 items worth a total value of \$20.00-\$30.00. Please do not include stuffed animals.

Thank you for wanting to make a child's Christmas special.
